hi Faith, I'm actually not privy to all the changes, Jim has been following up and keeping track. He met with Pua who was in DC and Blythe recently. I'll make sure Nancy gets a copy.

Hi Ted -

See below. I was asking Nancy about SHPD next steps. Nancy McMahon had previously asked for a copy of the PA to send to NPS and so I assumed that she would be coordinating with NPS this time as well.

I received a copy last week and met with FTA on Monday. There are some further minor changes that need to be made. You should talk to FTA about next steps.

Hi Nancy -

Heard that FTA sent you a copy of the Section 106 PA last week. Just inquiring as to what are the steps that you need to take before the SHPO can execute the PA. I am trying to determine what the schedule may look like. Any assistance you can provide will be greatly appreciated. Thanks.
